

3. Student Design Submission

Attach a narrative statement (only one narrative required: bullet format preferred for describing the contents of the submitted ship's crest) summarizing the student's design and explaining why he/she should receive the USS Illinois Ship's Crest Design award. For relevant criteria and design instructions please refer to the separate (UISCD) Rules and Requirements document. **NOTE: Student design narratives should not exceed 400 words. All narratives must be typewritten, double-spaced and submitted on plain 8 ½ x 11" paper. To be considered, the narrative must be accompanied by the design itself and a fully completed contest submission form.**

4. Student Acceptance of Contest Rules and Requirements

This certifies that I have read the Rules and Requirements of this contest and agree to adhere by them. In particular, I agree that my submission to the USS Illinois Commissioning Committee will become its property and, if selected as a finalist, my submission will become the property of the United States Navy.
